1. If this puppy is at any time found to be neglected or kept in a poor state, or maintenance of health is not being met, then this contract will be null and void.
2. The Breeder makes no warranty to size or color of puppy when full grown.
3. Under any circumstances, this puppy is not to be given to a pet store, laboratory, research facility, animal shelter, or pound. If the puppy is not working out the Breeder must be contacted to work with the buyer on a solution.
4. If the puppy is given or sold to a new owner this contract is null and void. This contract is only valid for the original buyer listed above.
5. The Breeder cannot be held responsible for Veterinarian bills once the puppy has been released into the new owner's care.

6. You have 72 HOURS to take this puppy to the Veterinarian of your choice for a Well Health Exam. If this is not completed and documented the contract will be null and void. If in any opinion of your Vet, there is a said problem with the puppy at this time, that is or could be life threatening, the buyer will obtain a Certified Veterinarian's letter explaining the diagnosis, as well as the prognosis. If this is the case we will give you another puppy of equal value. If we have no puppies available at the time, we will give you another puppy as soon as one becomes available. The puppy you purchased must be returned to us immediately, or an Autopsy report stating the cause of death to be the fault of the Breeder. The Breeder is not responsible for any shipping charges.
7. Your puppy has been started on vaccinations for Parvo Virus, Parainfluenza, Hepatitis, Coronavirus, and adenovirus. It is the buyer's responsibility to keep all vaccinations and preventative medicines up to date on this puppy as not to expose this puppy to any contagious or harmful diseases that may cause illness or death.
8. Your new puppy will have a One Year Health Guarantee. The Guarantee will cover ONLY Congenital problems, such as the heart, kidney, liver etc. If a problem arises please follow the steps above in #6. It will not cover Cherry Eye.
9. It is not uncommon during shipping/transport for puppies to be exposed to things out of our control. Therefore, the Breeder does not warrant the puppy to be free of any problems, such as diarrhea (normally caused by changing homes or food), Separation Anxiety, Coccidiosis, Giardia and/or Parasites.
10. The Buyer agrees that he/she is ready for the commitment of their new puppy and agrees to take the proper responsibilities in caring for the puppy.
11. The Breeder does guarantee the puppy you purchased is healthy, clean and socialized. We stand behind our Breeding program and offer this guarantee with each of our puppies. We hope that your puppy will bring you the happiness they have brought to our lives. We hope you enjoy your new best friend.

This puppy has been on the diet of _____.
